

## **3.0 Project Purpose and Need**

Through working with the project committee and soliciting input at the local concerns meetings the following project purpose and need statement was developed.

---

### **3.1 Project Purpose**

Improve the traffic and pedestrians operations and safety of the VT 15 / Educational Drive and Educational Drive / Central Street / Drury Drive Educational Center intersections.

---

### **3.2 Project Needs**

- ◆ Consider school operations and pedestrian crossings.
- ◆ Maintain / Improve mobility on VT 15.
- ◆ Reduce delays and blocking queues on Educational Drive.
- ◆ Reduce diversion traffic on Drury Drive.
